The competition was being held at Sunshine Bowl in Victoria and the bowler was *Andrew Lloyd*, from New South Wales. There were also two perfect games rolled during the Masters tournament at the same venue that year, one by *Nathan Paterson* (Queensland) in the Open Boys division, and the other by *Ralph Harford* (Victoria) in the Open Mens division.
- 2005 The venue for the tournament was Sunset Superbowl, Toowoomba, Queensland. *Cory Knowles* (Queensland) was the only bowler to shoot a perfect game this year, and it was during the East Coast Challenge Cup.
